—— IMPT GIFT VOUCHERS · INFORMATION · 2026

The gift that removes carbon.

IMPT gift vouchers are a climate-positive gift someone can spend on hotels across the 8,000,000+ range or in the 25,000+ shop network — and every time the voucher is used, verified carbon removal is funded. A gift that works in any country, for any occasion.

Perfect for People & companies

—— WHAT IT IS

One voucher. Two ways to spend it.

An IMPT voucher is real spending power on the IMPT platform — the recipient chooses whether it becomes a hotel stay or shopping in the rewards network. Either way, the climate layer is built in.

TRAVEL

8,000,000+ hotels

The voucher spends on any stay in the global range, at live hotel prices — a weekend away, a honeymoon contribution, a thank-you night out of town.

SHOPPING

25,000+ retailers

Or it spends across the shop network — big-name online retailers plus the local shops of the IMPT network, with the same rewards layer.

IMPACT

Carbon removal, every use

Every voucher spend funds verified carbon removal, publicly tracked. It's the rare gift that does good twice — once for the person, once for the planet.

—— WHY IT TRAVELS

The ultimate cross-border gift.

Sending money abroad is clumsy and cold; sending things abroad is slow and taxed. An IMPT voucher arrives instantly, works where the recipient lives, and lets them choose what it becomes — a stay, a treat, a saved-up trip.

INSTANT

Arrives in minutes

Bought online, delivered digitally — perfect for the birthday you nearly forgot in another timezone.

BORDERLESS

Spends anywhere

The hotel range and shop network are global — the voucher is useful wherever the recipient calls home.

FLEXIBLE

They choose

Travel or shopping, now or later — the recipient decides. No wrong sizes, no unwanted colours.

MEANINGFUL

A story attached

"This gift removes carbon when you use it" beats another candle. It's a present with a conscience built in.

—— COMPANIES & PARTNERS

Gifts & occasions are a revenue surface.

Vouchers are one of the seven revenue surfaces in every territory licence — a sellable product for local businesses, events and seasons.

CORPORATE

Client & staff gifts

A climate-positive corporate gift that lands well in any inbox and any country — client thank-yous, staff rewards, event giveaways with a story the company can tell.

OCCASIONS

Seasons & events

Gift seasons, weddings, graduations, local festivals — Partners and network retailers can offer vouchers wherever gifts are already being bought.

FOR PARTNERS

Easy first product

A voucher is the simplest sale in the range — low price, instant delivery, universal use. Every voucher you sell feeds your margin share like any other transaction you bring.

Denominations and purchase options are confirmed at purchase on the IMPT platform — ask Laura and she'll walk you through buying one today.
